Otego, NY

Summary to date: 23 people have thrown 132 scores of 95 or better, 9 - 98's, 17 - 97's, 43 - 96's and 63 - 95's.

**Bold lines are the best scores thrown in those particular years.**

() - following name is the number of 95's or better thrown by that person.

() - following score on second line below "Score" is the breakdown of 10's, 9's, 8's, 7's, or 6's thrown in that score.

\* - under "Order" column were thrown on same day and put in alphabetical order by last name.

\* - under "score rank" listed beneath "Location" are tied scores and put in the order of when they were thrown (\* - also follows score).

Highlighted comments are for the first person to do such a thing or 2018 data. (2017 data). And oh...what could have been, if it was not for that one stray shot that was farthest away.

Points could be assigned as an alternative way of ranking by assigning 132 points for #1 rank score on down to 1 point for #132 rank score. All scores of each competitor could then be added for total points and ranked accordingly. These point values and ranks appear in parentheses on the second line below "Name".
